

# Lunch & Learn

## TENURE TRACK JOB WORKSHOP

### Tenure Track Academic Positions, From Application to Negotiation

Are you going on the job market and want to learn how to effectively prepare for it? If so, please bring your lunch and join us for a workshop with Dr. Couradeau who will share her experience applying to academic jobs, show samples of application materials, discuss useful tips and share relevant resources. Dr. Couradeau has served as the convener of the JGI postdoc association, she is committed to keep working with postdocs to enhance their academic experience. She has received numerous career training herself and has given this workshop to over 300 postdocs already. Following the workshop there will be a chance to get feedback from Dr. Couradeau during one-on-one sessions.
